Selection of Service Provider for Fetching and Analysis of data from External Sources

RFP No 532/CGTMSE/2019-20 dated Feb 24, 2020

It may be noted by all the prospective bidders intending to bid for this RfP the following key points:

- The approximate number of application mentioned in the RfP is 2,50,000 per annum is a tentative number estimated by CGTMSE/Trust; the number may vary to any extent depending upon the response that portal may capture post its launch and CGTMSE does not take any guarantee for minimum number of applications. The Trust / CGTMSE holds a complete discretion and sole rights to use any of the services as mentioned in the RfP in its full capacity, partially or negligibly.
- The Trust / CGTMSE holds a complete discretion and sole rights to use any services (any of ITR or GSP or None) fully / partially. CGTMSE at its own discretion may not utilize service of any of the partner (In case of GSP and ITR analyzer are two different entities bidding as partner; in case single entity bidding as service provider for both the services, Trust at its own discretion may or may not use any of the services of such entity) i.e. an ITR analyzer may bid for this RfP along with bringing in GSP as partner, however at Trust's discretion, CGTMSE may use only GSP's services.
- The revised date of bid submission is March 11, 2020 at 1500 hours. The bid opening (Minimum eligibility and technical evaluation bids) shall be conducted / held on March 11, 2020 at 1600 hours.

The bidder needs to take a note of the above and put across their bids accordingly. CGTMSE/Trust shall not be responsible for number of applications and any service it may utilize party or jointly.

For any further queries, you are requested to post it for further clarification on the email id provided in RfP, the same shall be clarified during pre-bid meeting or by response to pre-bid meeting which shall be displayed on www.cgtmse.in
