Tender No. 2015-16/IT/03 dated August 14, 2015**

Pre Bid Queries & CGTMSE's Response – Pre-bid meeting held on August 24, 2015 at 11:00am

Important Note: The RfP reference number viz. clause and page numbers mentioned hereunder are that of the RfP before incorporating the below mentioned changes/ revisions.

S No.	RfP reference no., if any	RfP Existing Clause	Bidder's Query	CGTMSE's response	Reason for change & impact thereof						
1	Para 2.4.6 & 2.4.7, Page 7	As per tender document	In support of the fact that the bidder is a registered MSE, can the Acknowledgement (Part-II) for filing the memorandum with concerned authority be submitted?	Please refer row at S.No. 7 (Table: Part 1 – General Information) of Annexure-II.Pre-qualification/ Minimum Eligibility Criteria, Page 36 for acceptable documents to be submitted.	None, clarification only.						
2	Annexure-III.Technical Bid Format for PCs, Pg.39	Sr. No. 11(c): <table border="1" style="margin-left: 20px;"> <tr> <td>c.</td> <td>Display port – VGA/ DVI/ HDMI</td> <td>One</td> </tr> </table>	c.	Display port – VGA/ DVI/ HDMI	One	None. Clarification from CGTMSE due to typographical error	Clause may be read as <table border="1" style="margin-left: 20px;"> <tr> <td>c.</td> <td>DisplayPort/VGA/ DVI/ HDMI</td> <td>One</td> </tr> </table>	c.	DisplayPort/VGA/ DVI/ HDMI	One	None, clarification only.
c.	Display port – VGA/ DVI/ HDMI	One									
c.	DisplayPort/VGA/ DVI/ HDMI	One									
3	Annexure-III.Technical Bid Format for PCs, Pg.39	Sr. No. 14 <table border="1" style="margin-left: 20px;"> <tr> <td>14</td> <td>Speaker & Microphone</td> <td>Integrated high definition audio with built-in 2 stereo speakers either with monitor or with CPU</td> </tr> </table>	14	Speaker & Microphone	Integrated high definition audio with built-in 2 stereo speakers either with monitor or with CPU	Integrated, high definition built-in stereo speakers are neither available with Small Form Factor (SFF) CPUs nor with the monitors. SFF CPUs come with basic onboard speaker. However, the requirement can be met by supplying speakers bar attached to monitors.	The clause stands withdrawn. Accordingly, row with S.No. 14 of the table may be treated as deleted.	Since we are going to use the PCs for non-multimedia type of applications, we may do away with the desired feature as the same requires speaker bars to be attached to the monitors and may cost around ₹4,000/- per PC extra.			
14	Speaker & Microphone	Integrated high definition audio with built-in 2 stereo speakers either with monitor or with CPU									
4	Annexure-III.Technical Bid Format for	Sr. No. 17 Environment and regulatory standards –	None. Clarification from CGTMSE.	Quoted make/ model of the PC should be both Energy Star and EPEAT compliant. Row with S.N.10	None, clarification only.
